CELINA'S FIRST WALMART TO BE PART OF BIGGER VISION FOR FAST-GROWING CITY

The Dallas Morning News

Walmart will be the centerpiece of a new development in one of Dallas-Fort Worth's fastest-growing communities.

G-Man Development has teamed up with Walmart Real Estate, the City of Celina and its economic development corporation on a mixed-use development slated to be anchored by the retailer's first store in the city.

Located on the northwest quadrant of Preston Road and Collin County Outer Loop, the forthcoming Shawnee Trail Development will feature urban residential, along with an approximately 200,000-square-foot Walmart, among other retailers and dining options.

"It is exciting to know that Celina will be the first community to welcome this newest Walmart concept that has been in the planning stages for several years now," said Rex Real Estate's Matthew Kiran.

Special attention has been paid to incorporating green space, open space, trails and water features throughout the 190-acre mixed-use project located in Collin County.

In its village-like layout, Shawnee Trail is slated to incorporate materials and architecture that will reflect its historic past as a means to drive longhorn cattle to Missouri. Preston Road now follows the path of the Shawnee Trail.

G-Man Development is working with Nelson Partners Architects and Planners, along with KFM Engineering and Design, on the project.

The Stainback Organization's Kent and Luke Stainback represented Walmart.

Thomas Glendenning of Shop Companies will oversee leasing at the development.

Shawnee Trail marks the first project being developed under the Glendenning 1887 brand in the Collin County city. The firm expects to announce another major master-planned development in Celina soon.

A draw for the firm name, Rex Glendenning of Rex Real Estate's great-grandfather moved to Celina in 1887 to farm.

The new Walmart is part of the retailer's push to open 150 new stores across the U.S. in the next five years, with four new stores slated for Texas. Walmart projects the Celina outpost will break ground in August.

Celina has seen an uptick in retailers heading to the area. San Antonio's H-E-B recently revealed it has added a second site in the city for potential future use within Centurion American Development Group's sprawling Legacy Hills master-planned development. Brookshire's, based in Tyler, also recently unveiled a freshly renovated store in Celina.

DFW SURPASSES 8M RESIDENTS, ADDS MORE PEOPLE THAN ANY OTHER US METRO, CENSUS BUREAU REPORTS

DALLAS
BUSINESS JOURNAL

ESTIMATED 150,000-PLUS PEOPLE ADDED TO METROPLEX POPULATION

The Dallas-Fort Worth Metroplex experienced the largest metropolitan population growth in the nation last year, adding approximately 418 residents a day, according to recent U.S. Census Bureau data.

With an increase of 152,598 people, DFW surpassed 8 million total residents as of July 1, 2023. The Houston-Pasadena-Woodlands metro area experienced the second largest increase in the country and added 139,789 residents, bringing its total population to 7.5 million. The Austin metro area was seventh and added 50,105 people.

Roughly 60% of U.S. counties experienced population growth in the mid-2022 to mid-2023 time frame, and counties in the South had the fastest

growth, the Census Bureau reported. Roughly 67% of counties in the southern region saw population growth, up from 59% in 2022.

Six out of the 10 fastest growing counties in the nation were in Texas. Kaufman and Rockwall counties grew the fastest and saw 7.6% and 6.5% growth, respectively.

Eight out of the 10 counties with the largest population gains were also in the state.

Collin County experienced the second largest population increase in the country and added 36,364 people to reach 1.19 million total residents. Houston's Harris County was No. 1 with the addition of 53,788 residents — making it the third most populous county in the U.S. at 4.83 million residents.

Half of the counties with the highest levels of domestic migration were also in Texas. Collin County saw the fourth-largest domestic inflow with 20,749 residents relocating into the area. Denton County was fifth and saw 19,262 people move into the area.

Dallas County, however, placed eighth for outflow and saw 34,330 people leave the county, up from the 18,985 who left in 2022.

H-E-B TO START CONSTRUCTION ON PROSPER STORE

DALLAS
BUSINESS JOURNAL

H-E-B LP is set to move forward with its planned store in Prosper, its latest bite at the edge of the Metroplex.

The San Antonio-based grocery chain plans to break ground April 2 in Prosper, at the corner of Frontier Parkway and the Dallas North Tollway, WFAA reported.

Meanwhile, H-E-B expects to open its first store in Fort Worth/Tarrant County, at 3451 Heritage Trace Pkwy. near Alliance Town Center, on April 10.

Since debuting in Frisco in September 2022, H-E-B has been proliferating across the suburbs of the Dallas-Fort Worth metro. It currently has three stores in the four core counties of DFW. It has

additional locations under construction in Mansfield and Melissa, about 15 miles from Prosper, as well as a future store planned in Forney.

H-E-B is also building two locations of value chain Joe V's Smart Shop, which has lower prices and smaller stores, in Dallas — it just broke ground on the second earlier this month.

The Prosper H-E-B has been in the works for a while — the company bought the roughly 20 acres for the store in 2022.

But H-E-B deciding to move forward is always big news. It's a retail bellwether, so many other businesses typically follow in its wake, and it's known for its thorough site selection process.

Its influence as an employer is also growing rapidly. Earlier this year, it had about 3,000 workers in the DFW.

PGA OF AMERICA HQ TO ANCHOR 600-ACRE MIXED-USE DEVELOPMENT IN FRISCO

DALLAS BUSINESS JOURNAL

**DALLAS
BUSINESS JOURNAL**

It's official: The PGA of America will relocate from its longtime home in Palm Beach Gardens, Fla., to Frisco, after a vote from Frisco City Council today approved a massive real estate and golf development.

The golf professionals organization has agreed to move its headquarters as part of a public-private partnership with the City of Frisco, according to a release from the PGA of America. As part of the move, the organization will anchor a 600-acre mixed-used development among 2,500 acres being master-planned by Hunt Realty Investments.

The agreement means that championship-level golf will be heading to the region.

Frisco will host two PGA Championships, two KPMG Women's PGA Championships and possibly a Ryder Cup. North Texans can go ahead and mark their calendars for the KitchenAid Senior PGA Championship in 2023.

The public-private investment is estimated at \$520 million with the PGA of America agreeing to invest \$30 million in the development of a 100,000 square-foot global headquarters and education facility. The PGA of America also said that it would employ at least 100 as part of its agreement with Frisco.

A joint venture between Omni Hotels & Resorts, Stillwater Capital and Woods Capital, called Omni Stillwater Woods (OSW), will invest \$455 million to purchase land; construct a 500-room Omni resort and conference center; a "technologically advanced" retail space; parking facilities; and two golf courses, a short course, practice areas and a clubhouse.

The development will be situated about a third of a mile south of U.S. 380 at Rockhill Drive and Legacy Parkway.

The City of Frisco, in addition to Frisco Independent School District, Frisco Economic Development Corp., and Frisco Community Development Corp., will contribute no more than \$35 million.

CHILDREN'S HEALTH BUYS 72 ACRES NEXT TO NEW PGA HEADQUARTERS

DALLAS BUSINESS JOURNAL

DALLAS
BUSINESS JOURNAL

Pediatric health care giant Children's Health has purchased a large parcel of Prosper land for a new mixed-use medical campus.

The 72-acre site, which is located at the the northwest intersection of the Dallas North Tollway and Highway 380 across from the PGA's future Frisco home, was bought from Matthews Southwest, according to officials with Children's Health.

"We recently announced a 10-year partnership with Prosper ISD to be their official pediatric health care partner, and this is kind of the next step in that relationship," said Jeremiah Radandt, executive vice president of the northern market for Children's Health.

"We're really focused on making life better for children, and part of that is providing high-quality health care closer to home," he added. "That's a growing area and we have future plans to develop it into a mixed-use development with a thriving community medical campus."

The square footage and offerings of the campus are still in the initial planning stage, but Radandt said the anchor of the site will be pediatric health care services accompanied by various corporate, retail and hospitality businesses.

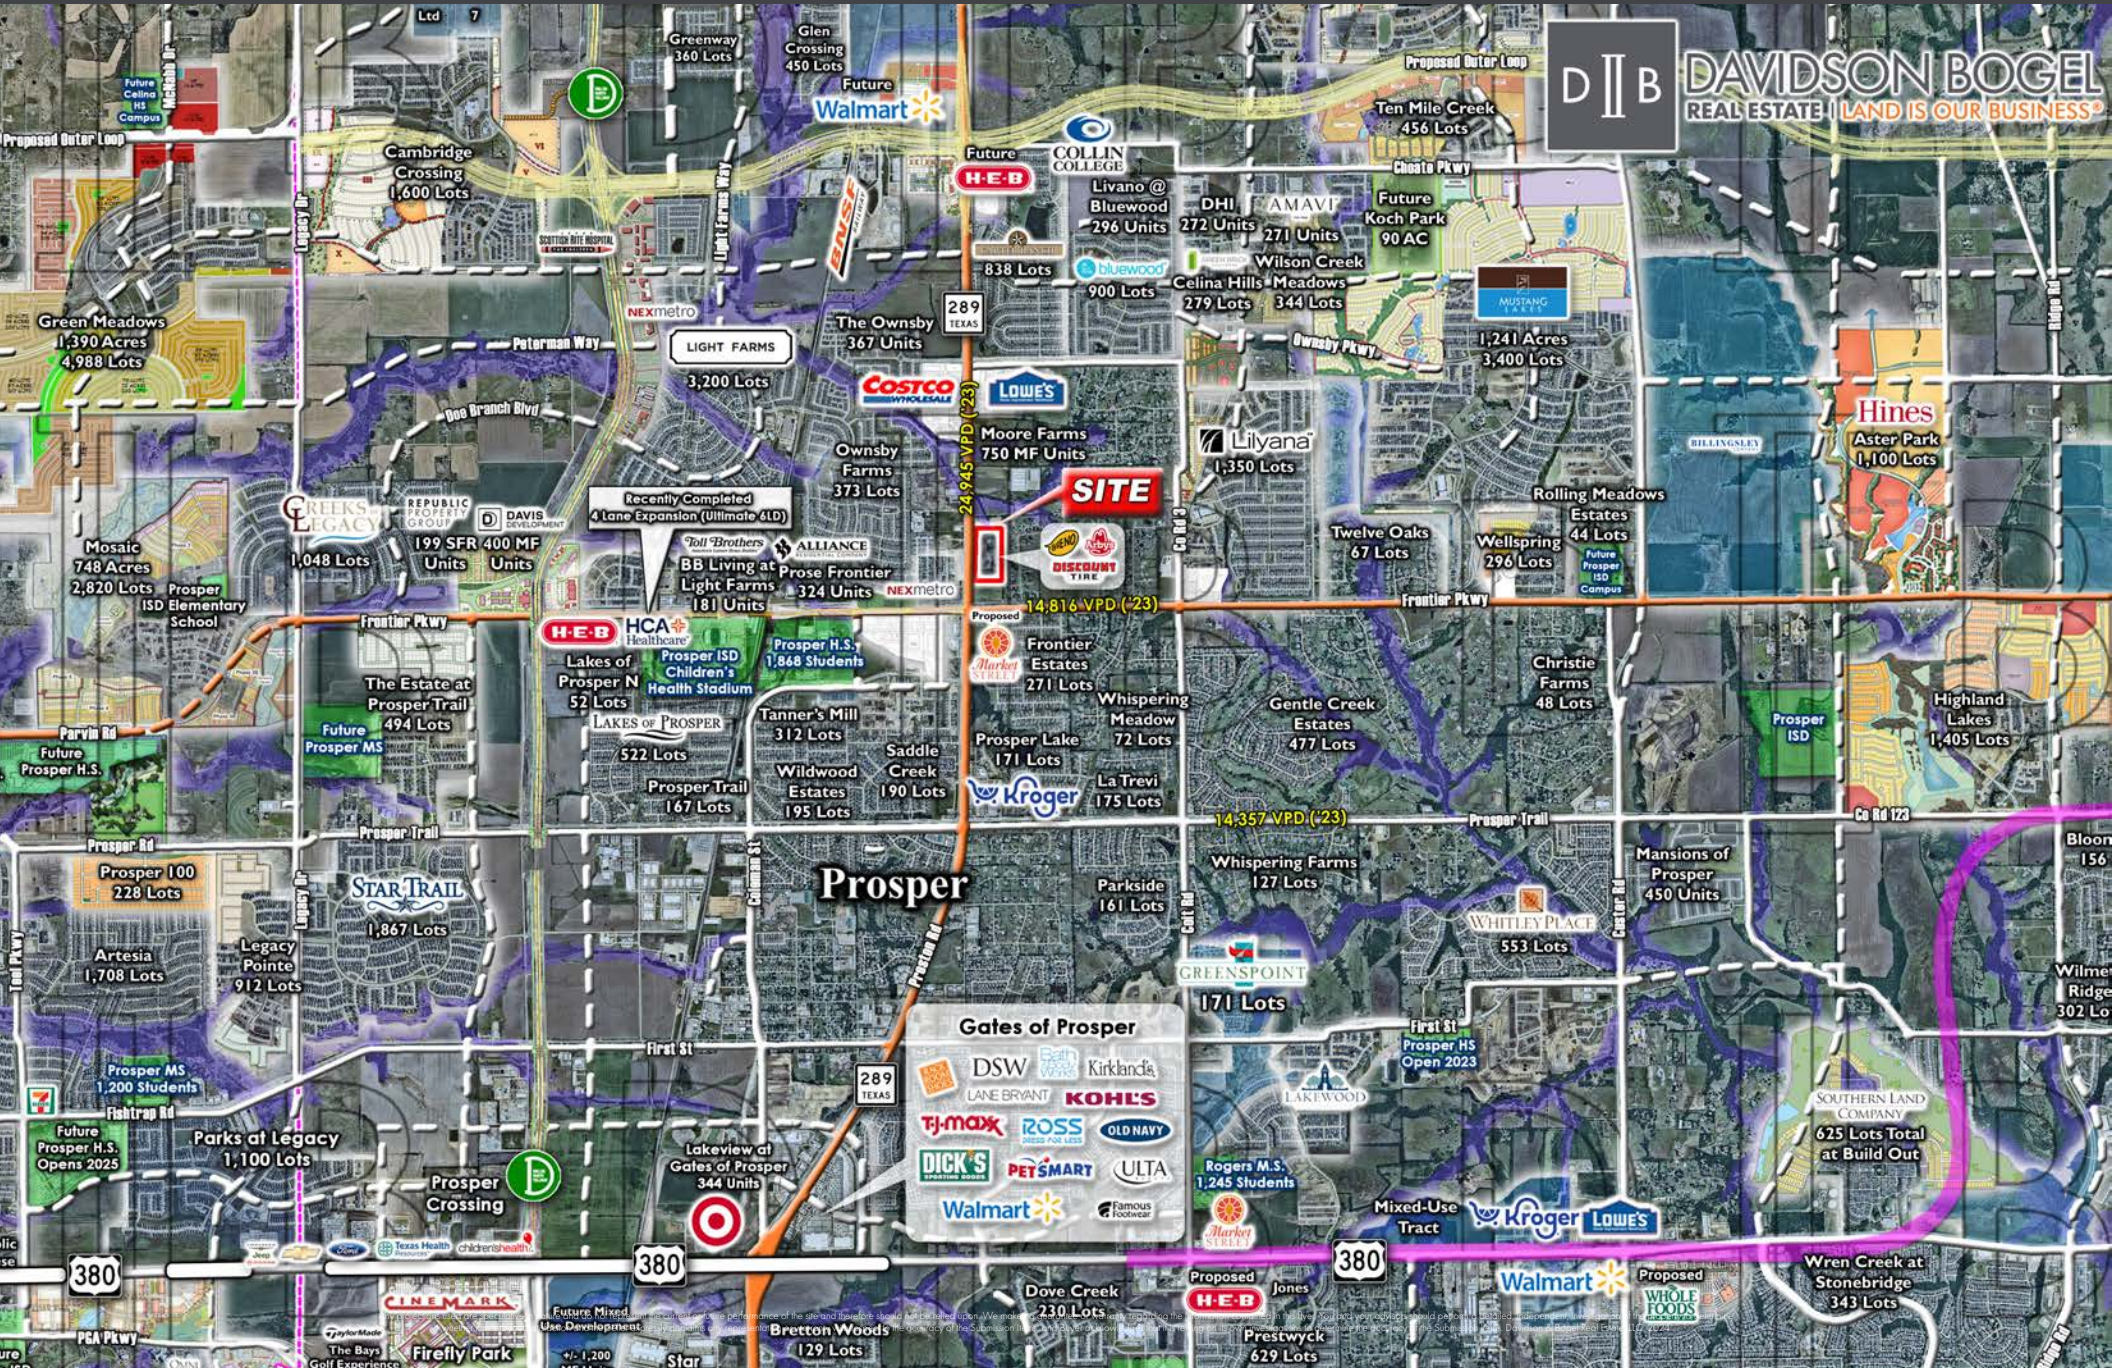

As for job creation, he said he doesn't know how many jobs the new campus will bring to the area, but that the quantity "will be meaningful."

Over a decade ago, Children's Health opened Children's Health Plano as an extension of its now 100-year-old Dallas location, Children's Medical Center. The newest addition is intended to be a continuation of the care offered in Dallas and Prosper but for the growing population in far North Texas.

"We're in close partnership with the City of Prosper and they identified this area as a key intersection for their economic growth," Radandt said. "And in health care, easy access is important, and this is a great site for that."

DISCLAIMER

APPROVED BY THE TEXAS REAL ESTATE COMMISSION FOR VOLUNTARY USE.

TEXAS LAW REQUIRES ALL REAL ESTATE LICENSEES TO GIVE THE FOLLOWING INFORMATION ABOUT BROKERAGE SERVICES TO PROSPECTIVE BUYERS, TENANTS, SELLERS AND LANDLORDS. (01A TREC NO. OP-K)

INFORMATION ABOUT BROKERAGE SERVICES:

Before working with a real estate broker, you should know that the duties of a broker depend on whom the broker represents. If you are a prospective seller or landlord (owner) or a prospective buyer or tenant (buyer), you should know that the broker who lists the property for sale or lease is the owner's agent. A broker who acts as a subagent represents the owner in cooperation with the listing broker. A broker who acts as a buyer's agent represents the buyer. A broker may act as an intermediary between the parties if the parties consent in writing. A broker can assist you in locating a property, preparing a contract or lease, or obtaining financing without representing you. A broker is obligated by law to treat you honestly.

IF THE BROKER REPRESENTS THE OWNER:

The broker becomes the owner's agent by entering into an agreement with the owner, usually through a written - listing agreement, or by agreeing to act as a subagent by accepting an offer of subagency from the listing broker. A subagent may work in a different real estate office. A listing broker or subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first. The buyer should not tell the owner's agent anything the buyer would not want the owner to know because an owner's agent must disclose to the owner any material information known to the agent.

IF THE BROKER REPRESENTS THE BUYER:

The broker becomes the buyer's agent by entering into an agreement to represent the buyer, usually through a written buyer representation agreement. A buyer's agent can assist the owner but does not represent the owner and must place the interests of the buyer first. The owner should not tell a buyer's agent anything the owner would not want the buyer to know because a buyer's agent must disclose to the buyer any material information known to the agent.

IF THE BROKER ACTS AS AN INTERMEDIARY:

A broker may act as an intermediary between the parties if the broker complies with The Texas Real Estate License Act. The broker must obtain the written consent of each party to the transaction to act as an intermediary. The written consent must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. The broker is required to treat each party honestly and fairly and to comply with The Texas Real Estate License Act. A broker who acts as an intermediary in a transaction:

- (1) shall treat all parties honestly;
- (2) may not disclose that the owner will accept a price less than the asking price unless authorized in writing to do so by the owner; buyer: and
- (3) may not disclose that the buyer will pay a price greater than the price submitted in a written offer unless authorized in writing to do so by the buyer; and
- (4) may not disclose any confidential information or any information that a party specifically instructs the broker in writing not to disclose unless authorized in writing to disclose the information or required to do so by The Texas Real Estate License Act or a court order or if the information materially relates to the condition of the property. With the parties' consent, a broker acting as an intermediary between the parties may appoint a person who is licensed under The Texas Real Estate License Act and associated with the broker to communicate with and carry out instructions of one party and another person who is licensed under that Act and associated with the broker to communicate with and carry out instructions of the other party.

IF YOU CHOOSE TO HAVE A BROKER REPRESENT YOU:

You should enter into a written agreement with the broker that clearly establishes the broker's obligations and your obligations. The agreement should state how and by whom the broker will be paid. You have the right to choose the type of representation, if any, you wish to receive. Your payment of a fee to a broker does not necessarily establish that the broker represents you. If you have any questions regarding the duties and responsibilities of the broker, you should resolve those questions before proceeding.
