# SUBMARKET OVERVIEW

West Fork is a niche submarket located in between IH Loop 12 and the western banks of the Trinity River, in the heart of the DFW Metroplex. Located in between Las Colinas and Dallas, this submarket is well positioned for explosive growth as the supply of available land in those areas for development is next to none. With immediate access to Loop 12, which serves as a connection point to IH 30, IH 20, IH 183, IH 114, and IH 635, this area allows its constituents to have immediate access to the entire DFW Metroplex.

Nestled upon 7+ miles of frontage on the western banks of the Trinity, with unparalleled views of the Dallas Skyline; this area is ripe for future mixed use development opportunities.

Totalling  $\pm 3,000$  acres of land; the majority of the existing properties in Westfork are situated upon 1 ac+ with an abundance of outdoor storage/parking, which is also very unique as neighboring submarkets such as the Dallas Design District/West Brookhollow, Medical District, DFW Airport struggle to match the soaring tenant demand for this product type. These low coverage assets also provide investors the opportunity to value these properties as “covered land plays” for future mixed-use development.

## Location Highlights:

- 6 miles southwest of Highland Park/Bluffview/Park cities
- 8 miles southwest of Downtown Dallas
- Approximately 3 miles west of the Dallas Design District
- 4 miles west of Trinity Groves
- 1.5 miles east of Las Colinas

# DALLAS MARKET OVERVIEW

Dallas/Fort Worth (DFW) is a dynamic 12-county region made up of Dallas, Fort Worth, and another 150 municipalities. DFW is the largest urban agglomeration in Texas and the fourth largest in the United States spanning an area of 9,286 square miles with a population of approximately 7.1 million people. # THE TRINITY RIVER PROJECT

With its 2,300 acres, the Trinity Lakes area of the Balanced Vision Plan will augment, by more than 10 percent, the city's overall green space assets, more than doubling the miles of trails and outdoor venues. No other city green space will match the variety of activities or the richness in landscape—both urban and natural—of the Trinity Lakes area.

Although the existing Trinity River floodplain is already an altered landscape and will be further altered through the construction of the project, the design intent is to create or re-create, self-sustaining, viable and high ecologically functioning landscapes that reflect the native landscapes of the region.

The Trinity Lakes area is the portion of the Trinity River Corridor Project between the confluence and the DART Bridge. The area is 2.5 times larger than New York's Central Park.

# DISCLAIMER

APPROVED BY THE TEXAS REAL ESTATE COMMISSION FOR VOLUNTARY USE.

TEXAS LAW REQUIRES ALL REAL ESTATE LICENSEES TO GIVE THE FOLLOWING INFORMATION ABOUT BROKERAGE SERVICES TO PROSPECTIVE BUYERS, TENANTS, SELLERS AND LANDLORDS. (61A TREC NO. OP-K)

## INFORMATION ABOUT BROKERAGE SERVICES:

Before working with a real estate broker, you should know that the duties of a broker depend on whom the broker represents. If you are a prospective seller or landlord (owner) or a prospective buyer or tenant (buyer), you should know that the broker who lists the property for sale or lease is the owner's agent. A broker who acts as a subagent represents the owner in cooperation with the listing broker. A broker who acts as a buyer's agent represents the buyer. A broker may act as an intermediary between the parties if the parties consent in writing. A broker can assist you in locating a property, preparing a contract or lease, or obtaining financing without representing you. A broker is obligated by law to treat you honestly.

## IF THE BROKER REPRESENTS THE OWNER:

The broker becomes the owner's agent by entering into an agreement with the owner, usually through a written - listing agreement, or by agreeing to act as a subagent by accepting an offer of subagency from the listing broker. A subagent may work in a different real estate office. A listing broker or subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first. The buyer should not tell the owner's agent anything the buyer would not want the owner to know because an owner's agent must disclose to the owner any material information known to the agent.

## IF THE BROKER REPRESENTS THE BUYER:

The broker becomes the buyer's agent by entering into an agreement to represent the buyer, usually through a written buyer representation agreement. A buyer's agent can assist the owner but does not represent the owner and must place the interests of the buyer first. The owner should not tell a buyer's agent anything the owner would not want the buyer to know because a buyer's agent must disclose to the buyer any material information known to the agent.

## IF THE BROKER ACTS AS AN INTERMEDIARY:

A broker may act as an intermediary between the parties if the broker complies with The Texas Real Estate License Act. The broker must obtain the written consent of each party to the transaction to act as an intermediary. The written consent must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. The broker is required to treat each party honestly and fairly and to comply with The Texas Real Estate License Act. A broker who acts as an intermediary in a transaction:

- (1) shall treat all parties honestly;
- (2) may not disclose that the owner will accept a price less than the asking price unless authorized in writing to do so by the owner; buyer; and
- (3) may not disclose that the buyer will pay a price greater than the price submitted in a written offer unless authorized in writing to do so by the buyer; and
- (4) may not disclose any confidential information or any information that a party specifically instructs the broker in writing not to disclose unless authorized in writing to disclose the information or required to do so by The Texas Real Estate License Act or a court order or if the information materially relates to the condition of the property. With the parties' consent, a broker acting as an intermediary between the parties may appoint a person who is licensed under The Texas Real Estate License Act and associated with the broker to communicate with and carry out instructions of one party and another person who is licensed under that Act and associated with the broker to communicate with and carry out instructions of the other party.

## IF YOU CHOOSE TO HAVE A BROKER REPRESENT YOU:

You should enter into a written agreement with the broker that clearly establishes the broker's obligations and your obligations. The agreement should state how and by whom the broker will be paid. You have the right to choose the type of representation, if any, you wish to receive. Your payment of a fee to a broker does not necessarily establish that the broker represents you. If you have any questions regarding the duties and responsibilities of the broker, you should resolve those questions before proceeding.
